noellohrey @rsdtyler Can you please do something about Immersion. The situation is a mess and nobody knows wether it will take place or not. We paid for the program and everything else. Support didn't answer yet after three days.

tihuss Dissapointed in Papa. He suppose to be The business guru. Having probaly read hundreds of books and networked and worked with so many leaders. Runs a Youtube Channel on it. And this is The outcome?
